Day 5

The Simcoe County District School Board acknowledges that we are situated on the traditional land of the Anishnaabeg people. We acknowledge the enduring presence of First Nations, Metis and Inuit people on this land and are committed to moving forward in the spirit of reconciliation and respect. Stayner is part of Treaty 18. Nottawasaga Purchase, signed on October 17, 1818.

School Oath

Today I have an Obligation.

No longer will I be silent if you need help.

Silence is Participation

I refuse to participate in the problem.

We are all different, but we all deserve respect.

If you need help, come to me.

If I think you need help, I'm getting involved.

I've got your back.

Let's make Clearview THE place to be!

Great news Wolfpack! Our brown trout eggs are expected to be delivered on Monday. Make sure to check out the tank when you are in the library next week.

Brown trout were introduced to Ontario in 1913 from Europe

Brown trout eggs are about the size of a small pea.

Brown trout lay their eggs in gravel in shallow water.

A decorative graphic in the top left corner featuring a yellow speech bubble with the word "SHOUT" in bold black letters, and a blue speech bubble with the word "OUTS" in bold black letters. Several yellow and blue stars of various sizes are scattered around the speech bubbles.

SHOUT

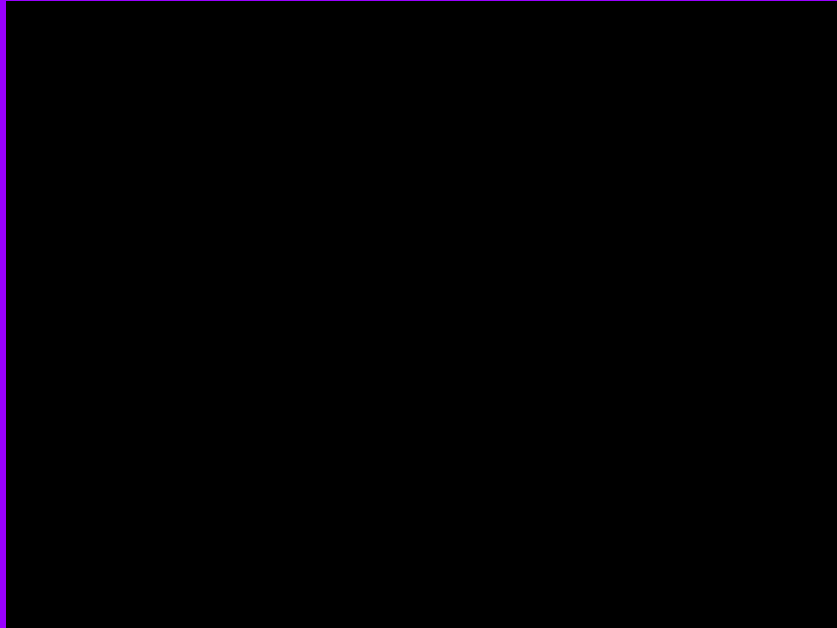

OUTS

We would like to send a shout out to Miss Emslie for everything she has done for the students here at Clearview Meadows. Congratulations on all your success as a student teacher. We will truly miss you. Come back and visit soon.
Mr. Stormes' Class

I would like to send a shout out to the Georgian Triangle Anglers Association Hatchery, the Collingwood Optimist Club and Mr. Rennie from Mountain View P.S. for making it possible for our school to take part in the brown trout hatching program. What a great way for us to learn about these amazing fish that live in Georgian Bay and our local rivers and streams.
