Day 3

The Simcoe County District School Board acknowledges that we are situated on the traditional land of the Anishnaabeg people. We acknowledge the enduring presence of First Nations, Metis and Inuit people on this land and are committed to moving forward in the spirit of reconciliation and respect. Stayner is part of Treaty 18. Nottawasaga Purchase, signed on October 17, 1818.

Please stand for the singing of O Canada (please pick one)

School Oath

Today I have an obligation.

No longer will I be silent if you need help.

Silence is participation.

I refuse to participate in the problem.

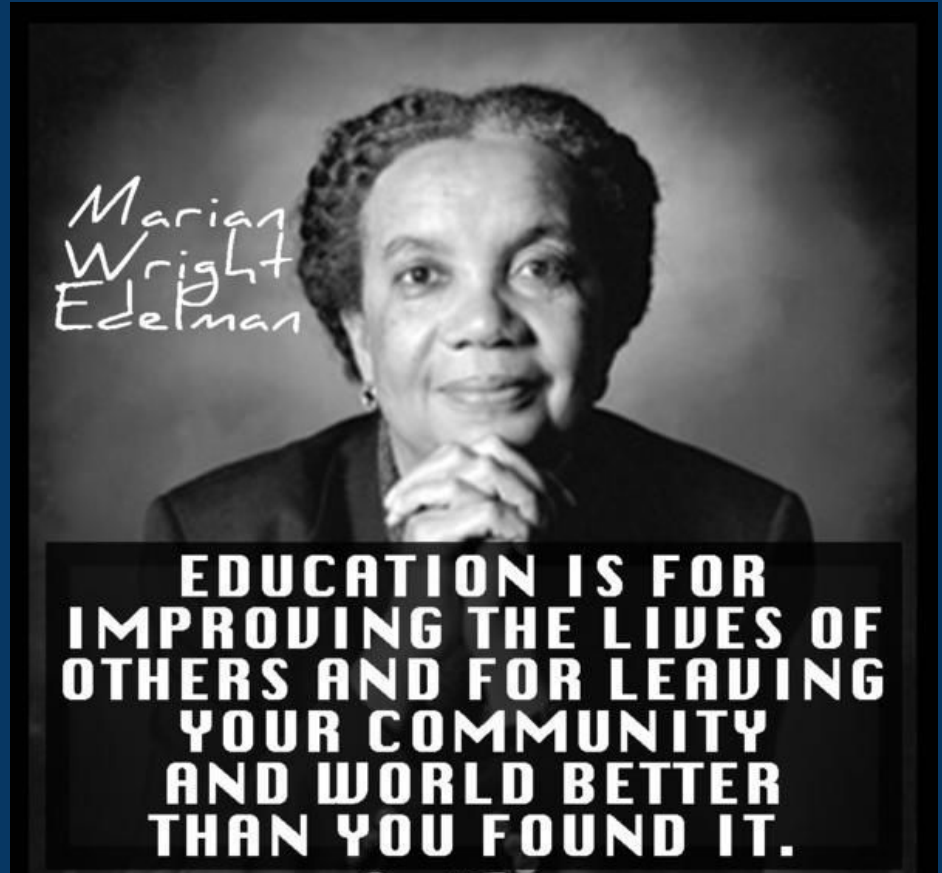

We are all different, but we all deserve respect.

If you need help, come to me.

If I think you need help, I'm getting involved.

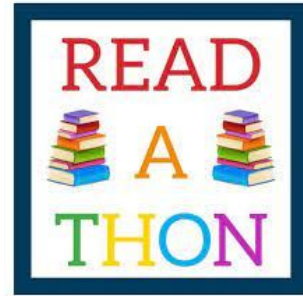

I've got your back.

Quote of the day...

CELEBRATING

**BLACK
HISTORY
MONTH**

FEBRUARY

**“For me, education means to inspire people
to live more abundantly, to learn
to begin with life as they find it
and make it better.”**

Father of Black History Month

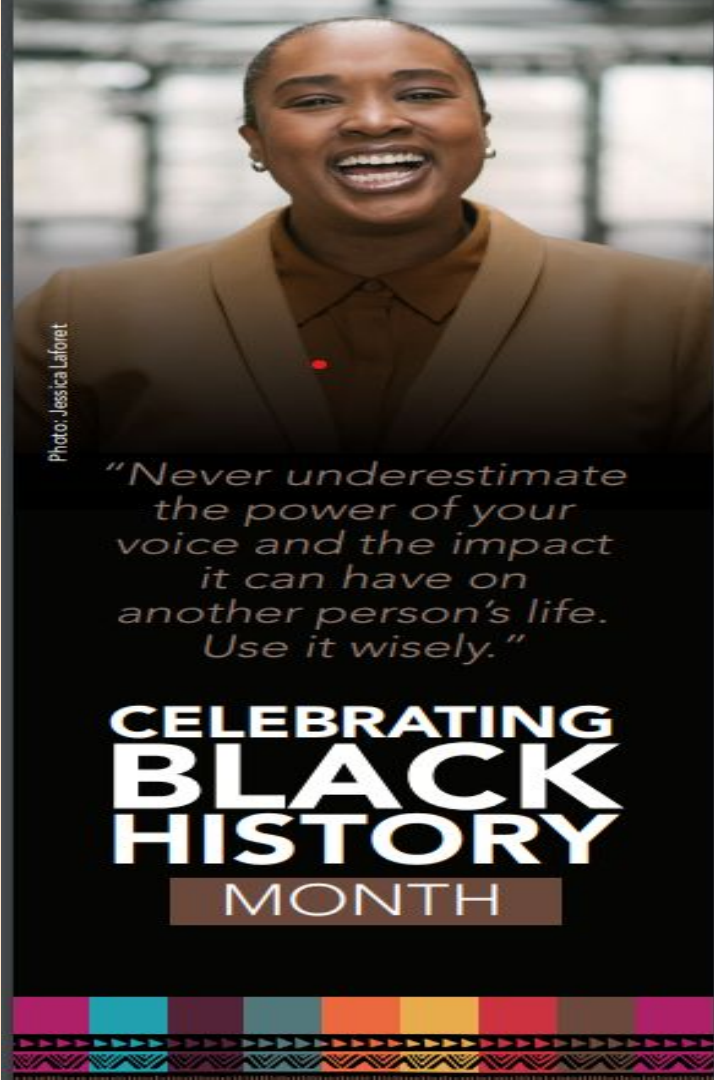

The History Behind Black History Month..

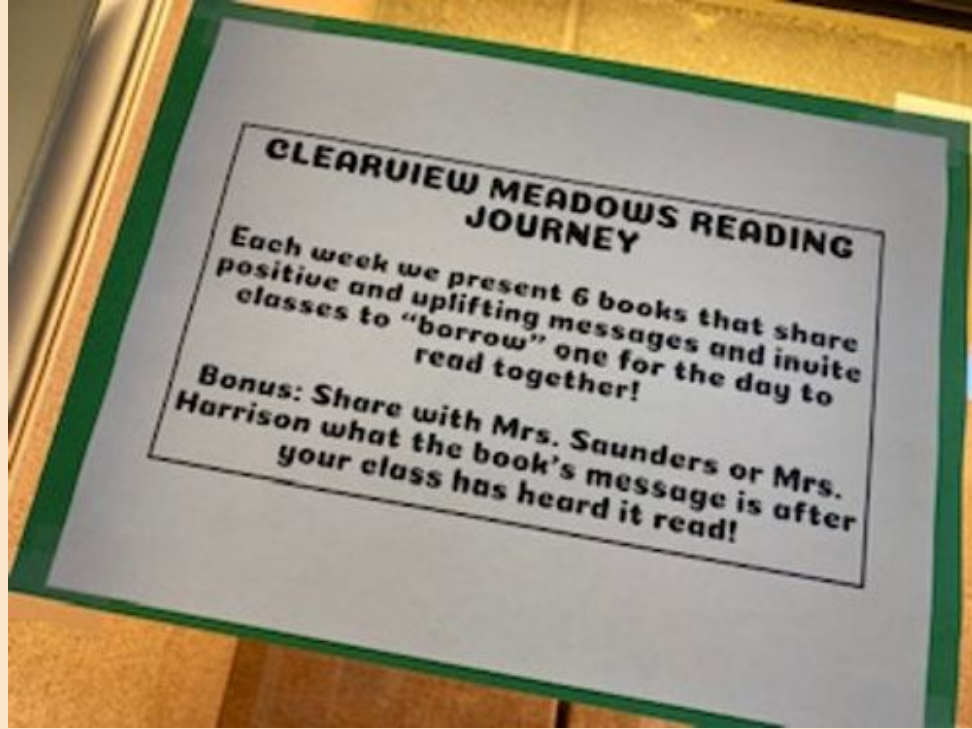

Black History Month was adopted by the Ontario government in 1979, thanks to its championing by the Ontario Black History Society. In December 1995, the House of Commons officially recognized February as Black History Month in Canada, following a motion introduced by the first black Canadian woman elected to the Parliament, the Honourable Jean Augustine.

Black History Month thus exists to remind us all of rich contributions within our society from people of African and Caribbean descent, and of their ongoing struggle for equity and social justice. Black History Month is a time to learn more about these Canadian stories, the many important contributions made to the settlement, diversity and growth of our nation.

This year, the 2023 CUPE Black History Month Poster features Dr. Jill Andrew, PhD. Dr. Andrew is an Ontario-based Black feminist and co-founder of Body Confidence Canada.

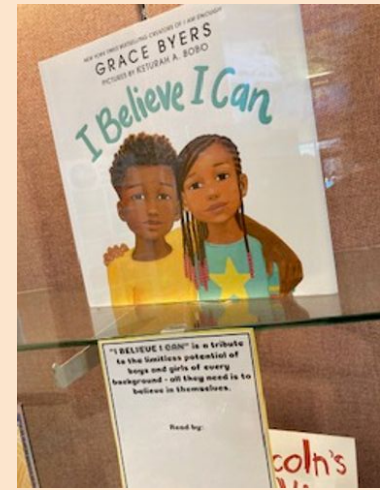

Continue the learning conversation today this image provides as we look forward to what we will continue to do together this month, and everyday, at Clearview Meadows.

RECESS REMINDERS FROM THE OFFICE...

Some important recess reminders for our Wolfpack...

You can play with friends in ways that are safe and fun. That means you can keep your hands and feet to yourself.

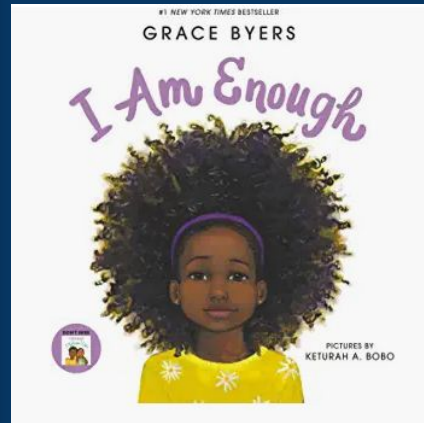

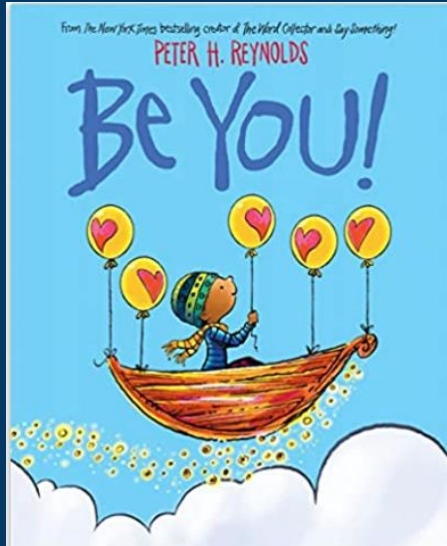

You can be creative with games you play and remember to keep them fair and inclusive.

You can play in the snow and have fun building, rolling and running while keeping snow on the ground.

When we do this we can all have a fun recess where everyone feels safe and respected.
